The Foundation - HELPING OUR HOSPITAL.
Hotel Dieu - TREATING YOU... Like family !

Dear Friend and Supporter of Hotel Dieu Perth,

The Perth-Andover Hotel Dieu Foundation has launched a fundraising campaign to support the purchase of a new treadmill for the Cardiology outpatient clinics at HDSJ. We have been very fortunate to have had this type of technology together with visiting Cardiologists from Saint John for over 35 years. That's pretty remarkable.

The purpose of the cardiac treadmill is to assess a person's blood flow within the heart during exercise through ECG monitoring. The specialist can also monitor heart rate, blood pressure and breathing during the test.

With rapidly changing technology, medical equipment has become more advanced, more sensitive, and capable of more sophisticated functions. In order to provide this for our patients the current treadmill needs to be upgraded to today's technology. This new equipment will cost \$38,000.00. Today we are asking for your financial support for the treadmill project. A gift of \$25, \$50, \$100, or more would be so greatly appreciated and tax-deductible.

Ways to give:

In person – Administration at Hotel Dieu of Saint Joseph

By mail – HDSJ Foundation, 10 Woodland Hill, Perth-Andover, NB E7H 5H5

By e-transfer: hdsjhospfoundation@gmail.com. Please indicate your mailing address in the message.

Most of us have either benefitted from Cardiology Clinic or we know someone who has. We hope you will support this project and help ensure these services continue in the future.

Thank you for your support. We wish you and your loved ones good health and many blessings for the upcoming holiday season.

Very sincerely yours,

Chairperson
